

# Loganlea Station Relocation project

## Upcoming road changes on Valencia Street, Loganlea

The Department of Transport and Main Roads (TMR) would like to advise that as part of the Loganlea Station Relocation project, Valencia Street in Loganlea is being realigned to make way for a new park 'n' ride facility. Please see the map over the page.

Works on the road realignment are currently underway.

**From early October 2025**, Valencia Street will be:

- one-way from Bernice Street to Kraatz Avenue
- two-way from Kraatz Avenue to Loganlea State High School.

Prior to that, from:

- **early-mid September 2025**, there will be intermittent on-street parking closures.
- **late September 2025**, all on-street parking will be permanently removed, to accommodate the construction.

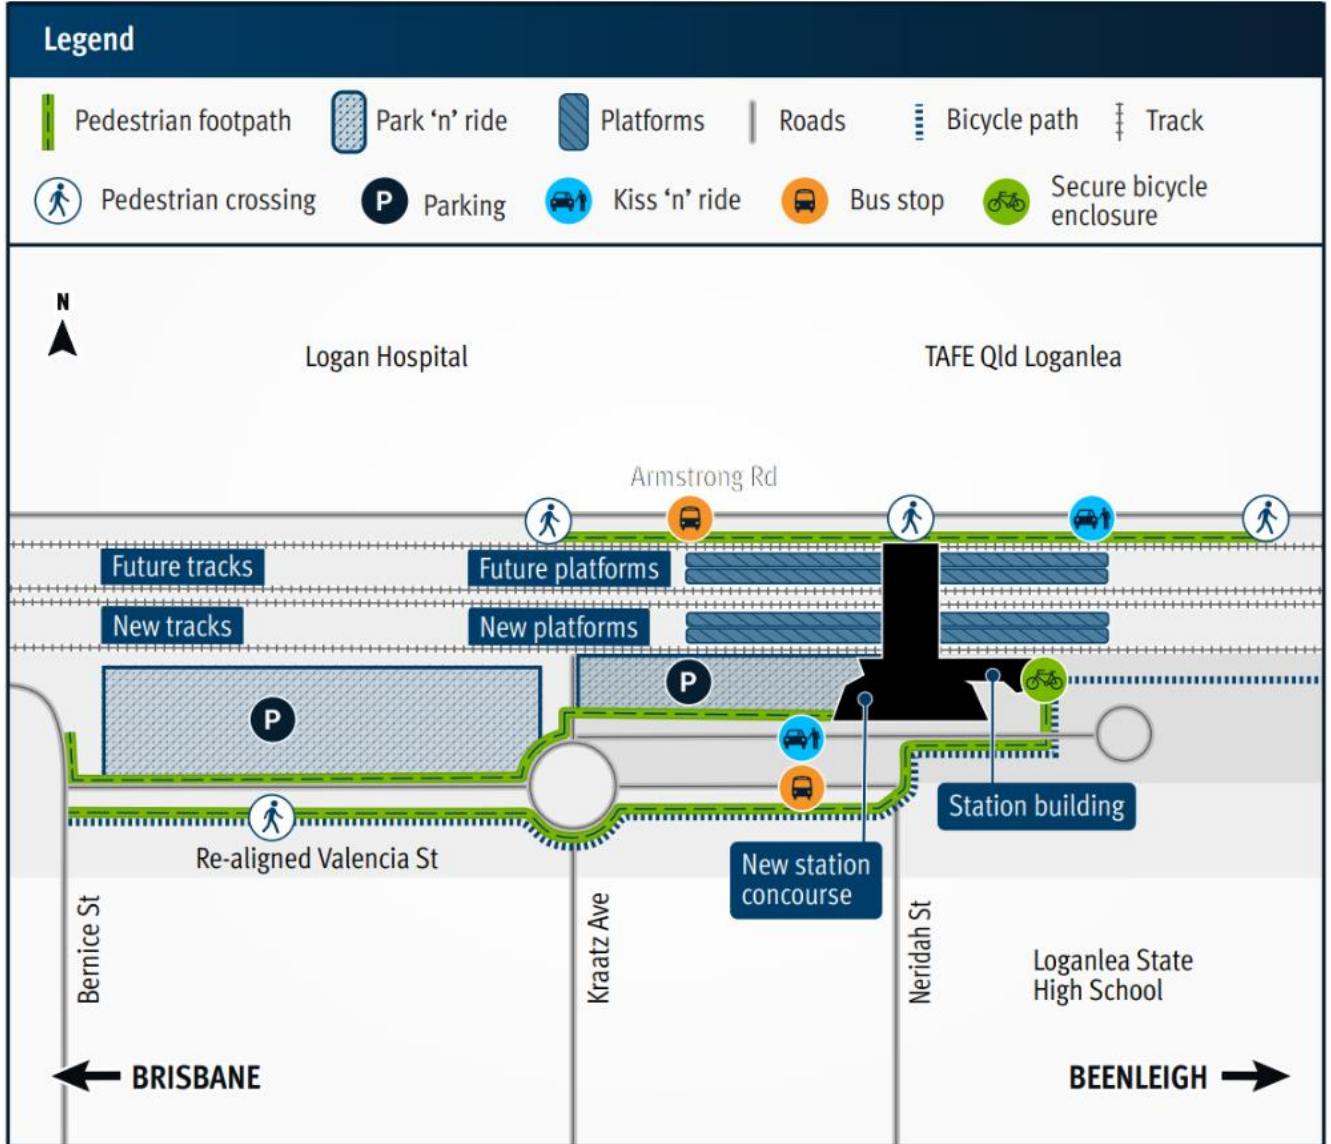

Once the new Loganlea station is built, customers will be able to access the new park 'n' ride facility on Valencia Street. The park 'n' ride will be located next to the station and provide around 250 spaces, with easy access to the station platforms and additional lighting and CCTV coverage.

As part of ongoing improvements to public transport in the area, TMR is exploring options to improve connections to Loganlea station. Additional bus services to Loganlea station have recently been introduced. TMR is also working with stakeholders to identify other opportunities to expand park 'n' ride in the future.

TMR understands the changes on Valencia Street may cause inconvenience to customers travelling to Loganlea station and this advance notice is being provided so people have time to plan their journeys.

For more information, please contact the project team by emailing [LSR@martinusdegan.com.au](mailto:LSR@martinusdegan.com.au) or calling 1800 957 066.
