# Loganlea Station Relocation project

**From 1 – 31 July 2026, construction works are continuing on the new Loganlea station**

## Key benefits for the community

- Improved safety
- Increased accessibility
- Improved network efficiency
- Better connections to nearby services

## What's happening?

### Platform 1 / station building

- Installing platform finishes, canopies, walls, cladding, roofing, services and structural steel
- Painting platform walls and the station building
- Customer services area fit out
- Installing flooring on the pedestrian bridge
- Installing car park light pole and pavement foundations.

### Valencia Street

- Installing landscaping and hardscapes, with a temporary footpath in place from 1 – 31 July 2026.

### Armstrong Road

- Installing two new site offices
- Drainage works
- Bulk excavation and piling works
- Demolishing an existing retaining wall.

### Rail corridor (Armstrong Road)

- Installing fencing
- Drainage and bulk earthworks
- Piling pad construction and piling works
- Removing concrete piles and redundant rail infrastructure (that is, sleepers, ballast, signalling and overhead powerline equipment).

### Loganlea station car park and other local roads works

- Potholing for 2-3 nights in the existing Loganlea Station Road car park and, on Armstrong Road and Bernice Street.

## Work hours

**Standard hours:** 6.30am to 6.30pm, Monday to Saturday

**Out of hours:** 6.30pm to 6.30am, Monday to Sunday
Including potholing works on Armstrong Road and Bernice Street

**24-hour works:** Rail corridor works on Armstrong Road, during the track closure

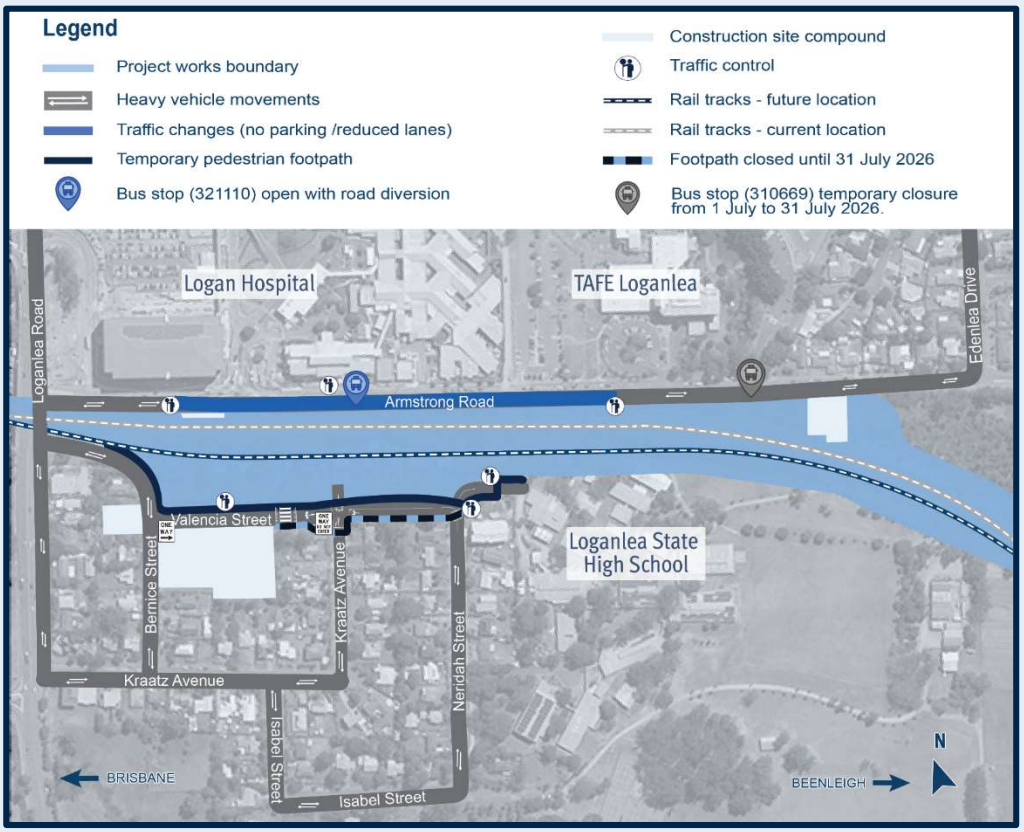

*Weather and site conditions permitting.*

## What to expect

- Some noise, dust and vibration
- Water trucks and road sweepers for dust suppression
- Increased truck movements on Edenlea Drive
- Vehicles and equipment with flashing lights and reversing beepers
- Lighting towers (directed away from residences, wherever possible)
- Changed traffic conditions including reduced speed limits.

We appreciate your patience during these works. We will continue to keep you updated as works progress.

# Project work areas

## 24-hour temporary traffic changes

### Armstrong Road bus stop changes

- Bus stop (ID: 321110) remains open
- Bus stop (ID: 310669) opposite Loganlea TAFE, will be temporarily closed from 1 – 31 July 2026.

### Edenlea Drive

- To be used as a truck haulage route, between 6am and 6pm Monday to Saturday, until construction is completed in 2027.

## Track closures

There will be track closures and travel changes on the Beenleigh and Gold Coast train lines on:

- **27 June – 19 July 2026.**

Please consider your travel options, plan ahead, and allow extra travel time. Download the **Translink app**, visit **translink.com.au** or call **13 12 30**.

## About the project

The new Loganlea station will be located 500m to the south, opposite the Logan Hospital and closer to other health, education and community services. During construction, the existing Loganlea station remains open. The LSR project is jointly funded by the Australian and Queensland governments.
