Works notice

October 2026

DELIVERING FOR QUEENSLAND

Loganlea Station Relocation project

Works are continuing on the new Loganlea station

Key benefits for the community

- Improved safety
- Increased accessibility
- Improved network efficiency
- Better connections to nearby services

What's happening?

1 – 31 October 2026, works will include:

Platform 1

- Installing platform finishes and fit-out.

Valencia Street / station precinct

- **Valencia Street / Kraatz Avenue:** Installing permanent roundabout
- **Valencia Street / Bernice Street intersection:** Asphalting and pavement works
- **Valencia Street:** Installing footpath, traffic island and kerbing
- **Neridah Street:** Kerbing works
- **Station building:** Installing canopy and internal fit-out works
- Ongoing drainage works
- Line marking works
- Assembly concourse structural steel.

Rail corridor (Armstrong Road-side)

- Installing fencing
- Drainage works
- Bulk excavation and piling works
- Concrete pours and associated works
- Demolition of concrete foundations
- Foundation installation
- Earthworks for walking and cycling path.

Work hours

Standard hours: 6.30am to 6.30pm, Monday to Saturday

Out of hours: 6.30pm to 6:30am, Monday to Sunday (as required)

Weather and site conditions permitting.

What to expect

- Some noise, dust and vibration
- Water trucks and road sweepers for dust suppression
- Vehicles and equipment with flashing lights and reversing beepers
- Lighting towers (directed away from residences, wherever possible)
- Changed traffic conditions including temporary road closures and reduced speed limits.

QueenslandRail

Queensland Government

Out of hours works

From **1 – 31 October 2026**, there will be some work scheduled outside standard work hours, weather and site conditions permitting.

Work will be undertaken intermittently during the day and at night, up to seven days a week.

Where possible, work will be prioritised to occur between 6.30am to 6.30pm; some activities may occur throughout the night until 6.30am.

Valencia Street:

- Installing asphalt
- Line marking.

Armstrong Road:

- Drainage works.

Rail corridor (Armstrong Road):

- Large equipment / material deliveries
- Demolition, including saw cutting
- Bulk excavation
- Piling works
- Track formation works
- Concrete pours and associated works.

Temporary traffic and pedestrian changes

Until 5 October 2026

Valencia Street:

- Closed to traffic
- Pedestrian access will switch along the north and south footpaths, as works progress.

Bernice Street:

- Traffic reduced to one lane periodically during the day to allow for:
  - re-asphalting the Valencia Street intersection
  - line marking and removal.
- Closed to traffic at night.

Until project completion in 2027

Armstrong Road

- Bus stops will remain open (ID: 321110 and 310669).
- Intermittent lane closures and traffic holds to facilitate deliveries.

Edenlea Drive

- Truck haulage route until the Loganlea Station Relocation project is completed in 2027.
- Some night movements may be necessary and will be minimised where possible.

Loganlea rail corridor works

From September to November 2026, there will be rail corridor works outside the Loganlea Station Relocation project area.

These works will be between Railway Parade to Logan River, Loganlea, as part of the Logan and Gold Coast Faster Rail (LGC) project.

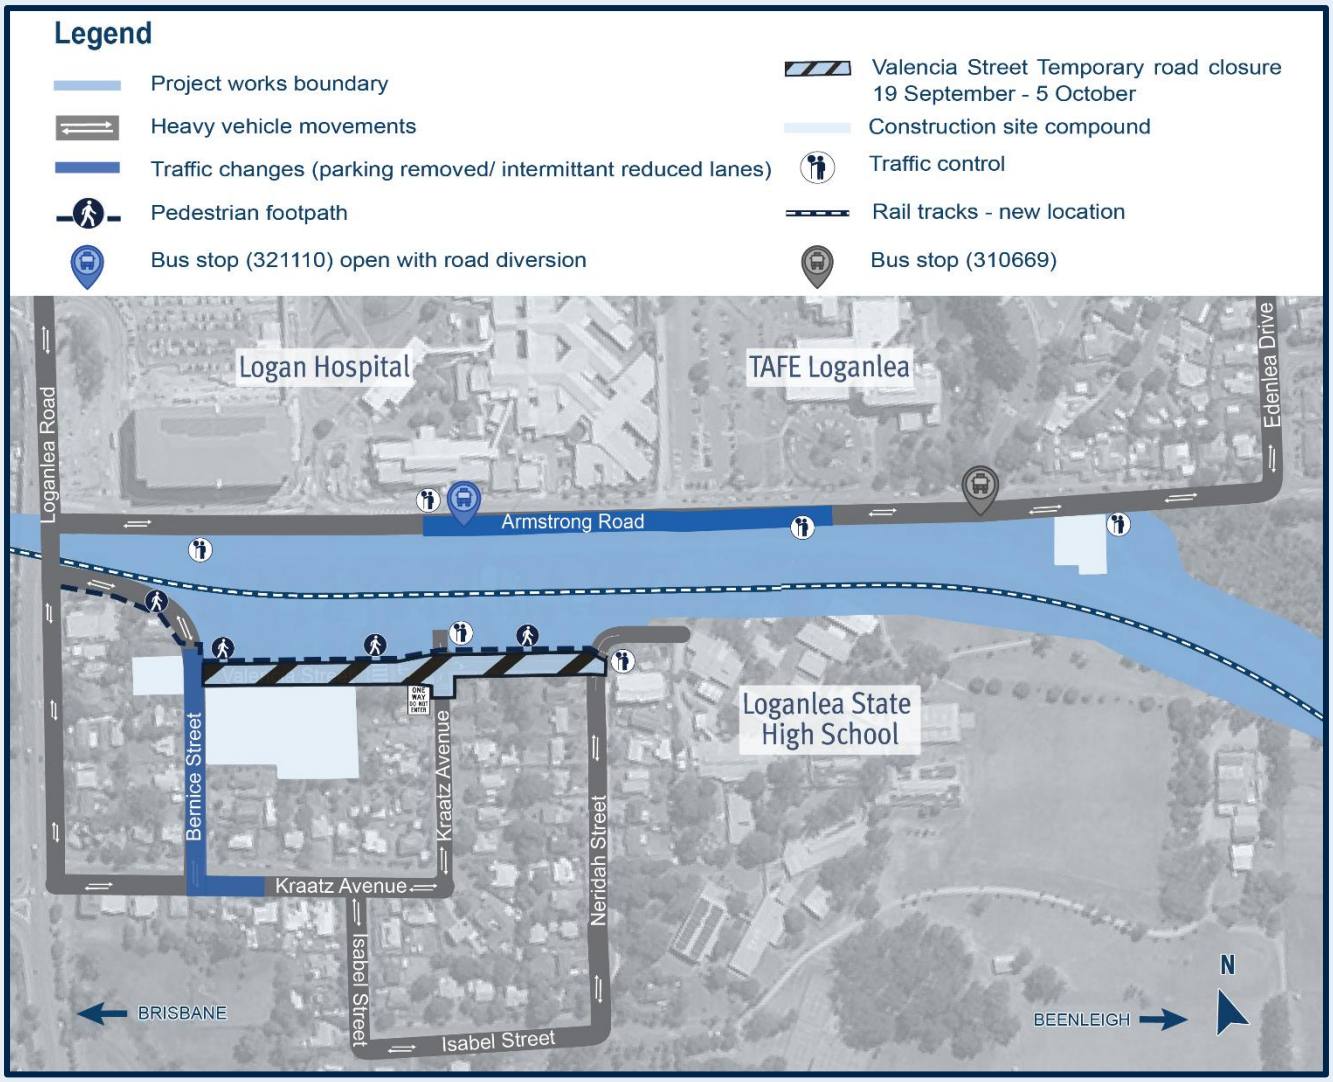

For more information about the LGC project, visit **www.tmr.qld.gov.au/logangoldcoastrail**.

Track closures

Track closures are continuing until **11 October 2026,** with travel changes on the Beenleigh and Gold Coast train lines.

Please consider your travel options, plan ahead, and allow extra travel time. Download the **Translink app**, visit **translink.com.au** or call **13 12 30**.

Project work areas

About the project

The new Loganlea station will be located 500m to the south, opposite the Logan Hospital and closer to other health, education and community services. During construction, the existing Loganlea station remains open. The LSR project is jointly funded by the Australian and Queensland governments.
