Loganlea Station Relocation project

During June 2026, construction works are continuing on the new Loganlea station

Key benefits for the community

- Improved safety
- Increased accessibility
- Improved network efficiency
- Better connections to nearby services

What's happening?

1 - 30 June 2026, works will include:

Platform 1

- installing furniture, fencing, access stairs, windows, cladding, fit out and finishes
- complete roofing on canopies and awnings
- painting platform walls
- construct station building and amenities.

Valencia Street

- installing landscaping and hardscapes building roundabout at the intersection of Valencia Street and Kraatz Avenue.

Armstrong Road

- minor vegetation removal, including stumps
- building temporary retaining wall
- Logan Water works
- installing two new site offices.

Work hours

Standard hours: 6:30am to 6:30pm, Monday to Saturday

Out of hours: 6.30pm to 6.30am, Monday to Sunday

24-hour works: critical-work activities

Weather and site conditions permitting.

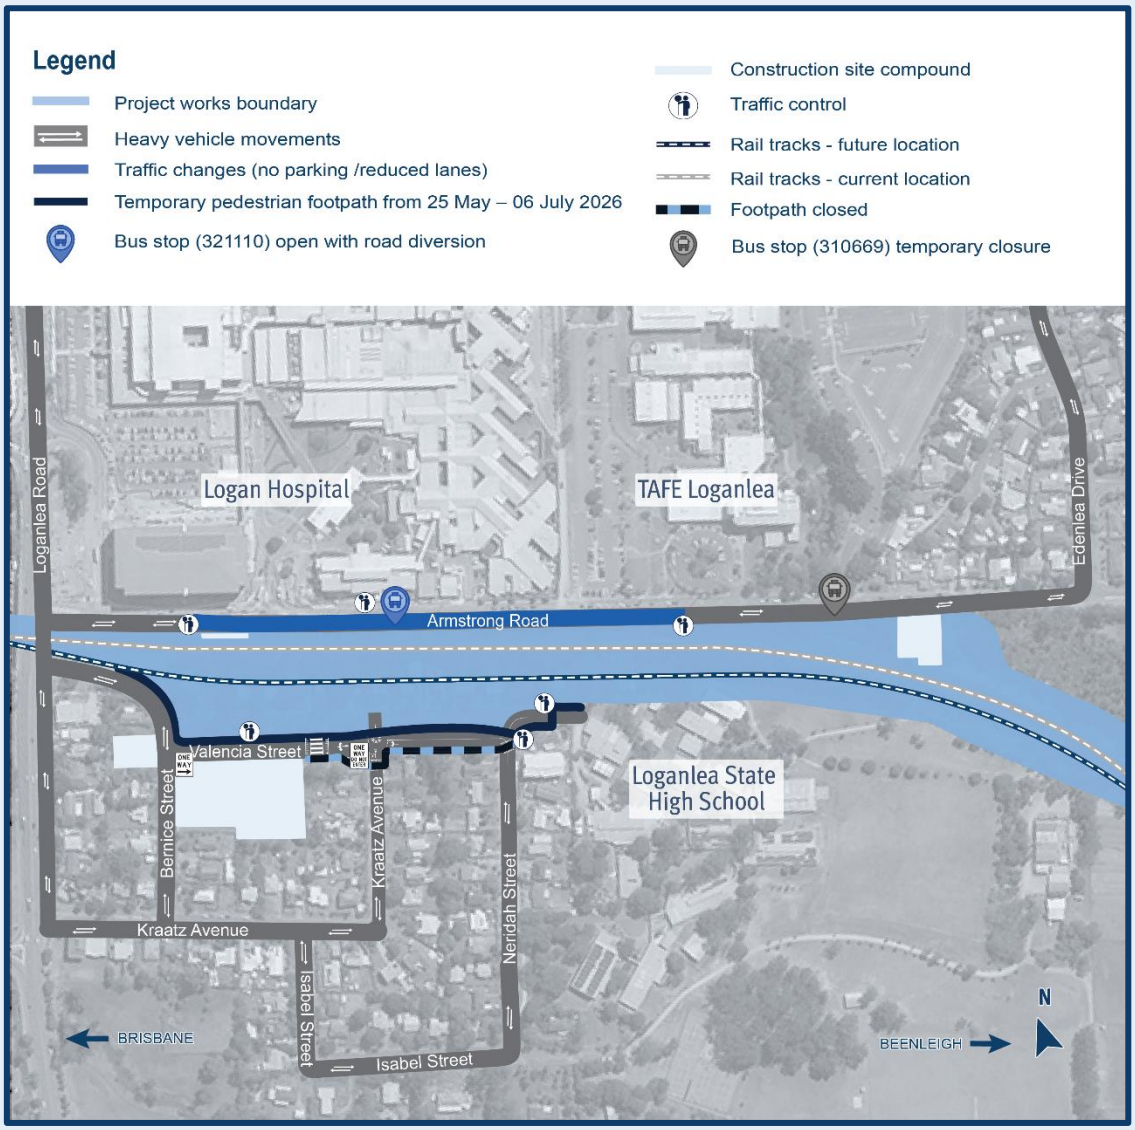

What to expect

During the construction works, you may experience:

- Some noise, dust and vibration
- Water trucks for dust suppression
- Increased truck movements on Edenlea Drive
- Vehicles and equipment with flashing lights and reversing beepers
- Lighting towers (directed away from residences, wherever possible)
- Changed traffic conditions including reduced speed limits.

We appreciate your patience during these works. We will continue to keep you updated as works progress.

LSR works area

24-hour works during the track closures

20 June – 22 June 2026

- geotechnical works, as part of installing new tracks
- ongoing Armstrong Road works
- platform 1 and station building works.

27 June – 5 July 2026

- relocating fencing
- earthworks
- drainage and ground stabilisation works
- removing redundant and installing new rail infrastructure and equipment - track, ballast and signals to enable track switch
- shotcreting works.

Road works

- building a roundabout at the intersection of Valencia Street and Kraatz Avenue.

24-hour temporary traffic changes

Armstrong Road bus stop changes

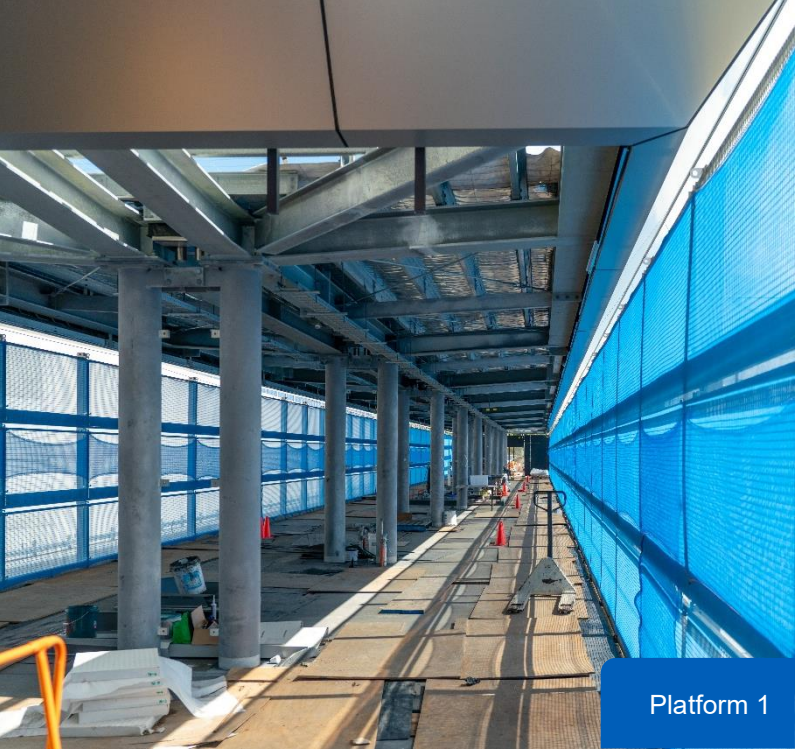

- bus stop (ID: 321110) remains open
- bus stop (ID: 310669), opposite Logan TAFE, closed from early to mid-June 2026.

Valencia Street closure
27 June – 5 July 2026

- Valencia Street will be closed between Bernice Street and Neridah Street for 10 days.

Edenlea Drive

- To be used as a haulage route, from Monday to Saturday between 6am and 6pm, until construction is completed in 2027.

Platform 1

Station building – Valencia St

About the project

The new Loganlea station will be located 500m to the south, opposite the Logan Hospital and closer to other health, education and community services. It will continue to be a key transfer location between all-stops and express services on the Beenleigh and Gold Coast train lines. The existing Loganlea station will remain open during construction.

The LSR project is jointly funded by the Australian and Queensland governments.

Track closures

There will be track closures and travel changes on the Beenleigh and Gold Coast train lines on:

- **20 - 21 June 2026**
- **27 June – 19 July 2026**

Please consider your travel options, plan ahead, and allow extra travel time.

We understand track closures are an inconvenience. Thank you for your patience while we carry out these critical works and keep our workers safe as we build you a better rail network.
