

Logan and Gold Coast Faster Rail

Kuraby Open Level Crossing Removal

Service relocations and bridge construction continue in September 2026.

What's happening?

Underground services installation

New underground utility services will be installed under Beenleigh Road and the rail line, between St Davids Street and Warrigal Road. Works will include:

- vegetation removal, excavation, material deliveries and concrete works using excavators, compacting equipment, bucket trucks, borer lifts and cranes
- fencing, building laydown pads, and construction access installation
- trenchless drilling, using micro-tunnelling and boring machines.

Please see map on back page for locations.

Services relocations

Relocation of telecommunication and sewer assets will commence between St Andrew Street and Winifred Street. Works will include:

- installing temporary fencing
- material deliveries by heavy vehicles
- open trenching, earthworks and backfilling by excavators
- installing new conduits and cables, and concrete sewer pipes.

Telstra and Optus will provide advance notification

Key benefits for the community

Improved safety

Increased traffic flow

Improved flood immunity

Reduced peak hour congestion

Work hours

Standard work hours: 6:30am to 6:30pm, Monday to Saturday.

Out of hours works: 6:30am-6:30pm Sunday and 7pm-5am, Sunday-Thursday.

Weather and site conditions permitting

We appreciate your patience during these works. We will continue to keep you updated as works progress.

Australian Government

BUILDING AUSTRALIA

QueenslandRail

Queensland Government

Bridge construction works

- Cutting and welding reinforced steel
- Concrete pours, sometimes out of hours
- Precast panel deliveries and installation
- Material fill deliveries and compaction.

Winifred Street upgrade works

Works will continue to upgrade Winifred Street including:

- removing existing road surface and curbing
- excavation and installing stormwater drainage
- backfilling, and rebuilding road surface.

Protective gantry installation

A protective gantry will be installed on the southern pedestrian approach to the level crossing, next to the St Andrew Street work area.

The gantry will make sure safe access is maintained as bridge construction occurs overhead.

Track closures and travel changes on the Beenleigh and Gold Coast lines

From **Wednesday 19 September to Monday 5 October 2026**, there will be major track closures on the Beenleigh and Gold Coast lines for works on multiple rail projects, including the Logan and Gold Coast Faster Rail project.

Please plan ahead, consider your travel options and allow plenty of travel time.

Download the **Translink app**, visit **translink.com.au** or call **13 12 30**.

What to expect

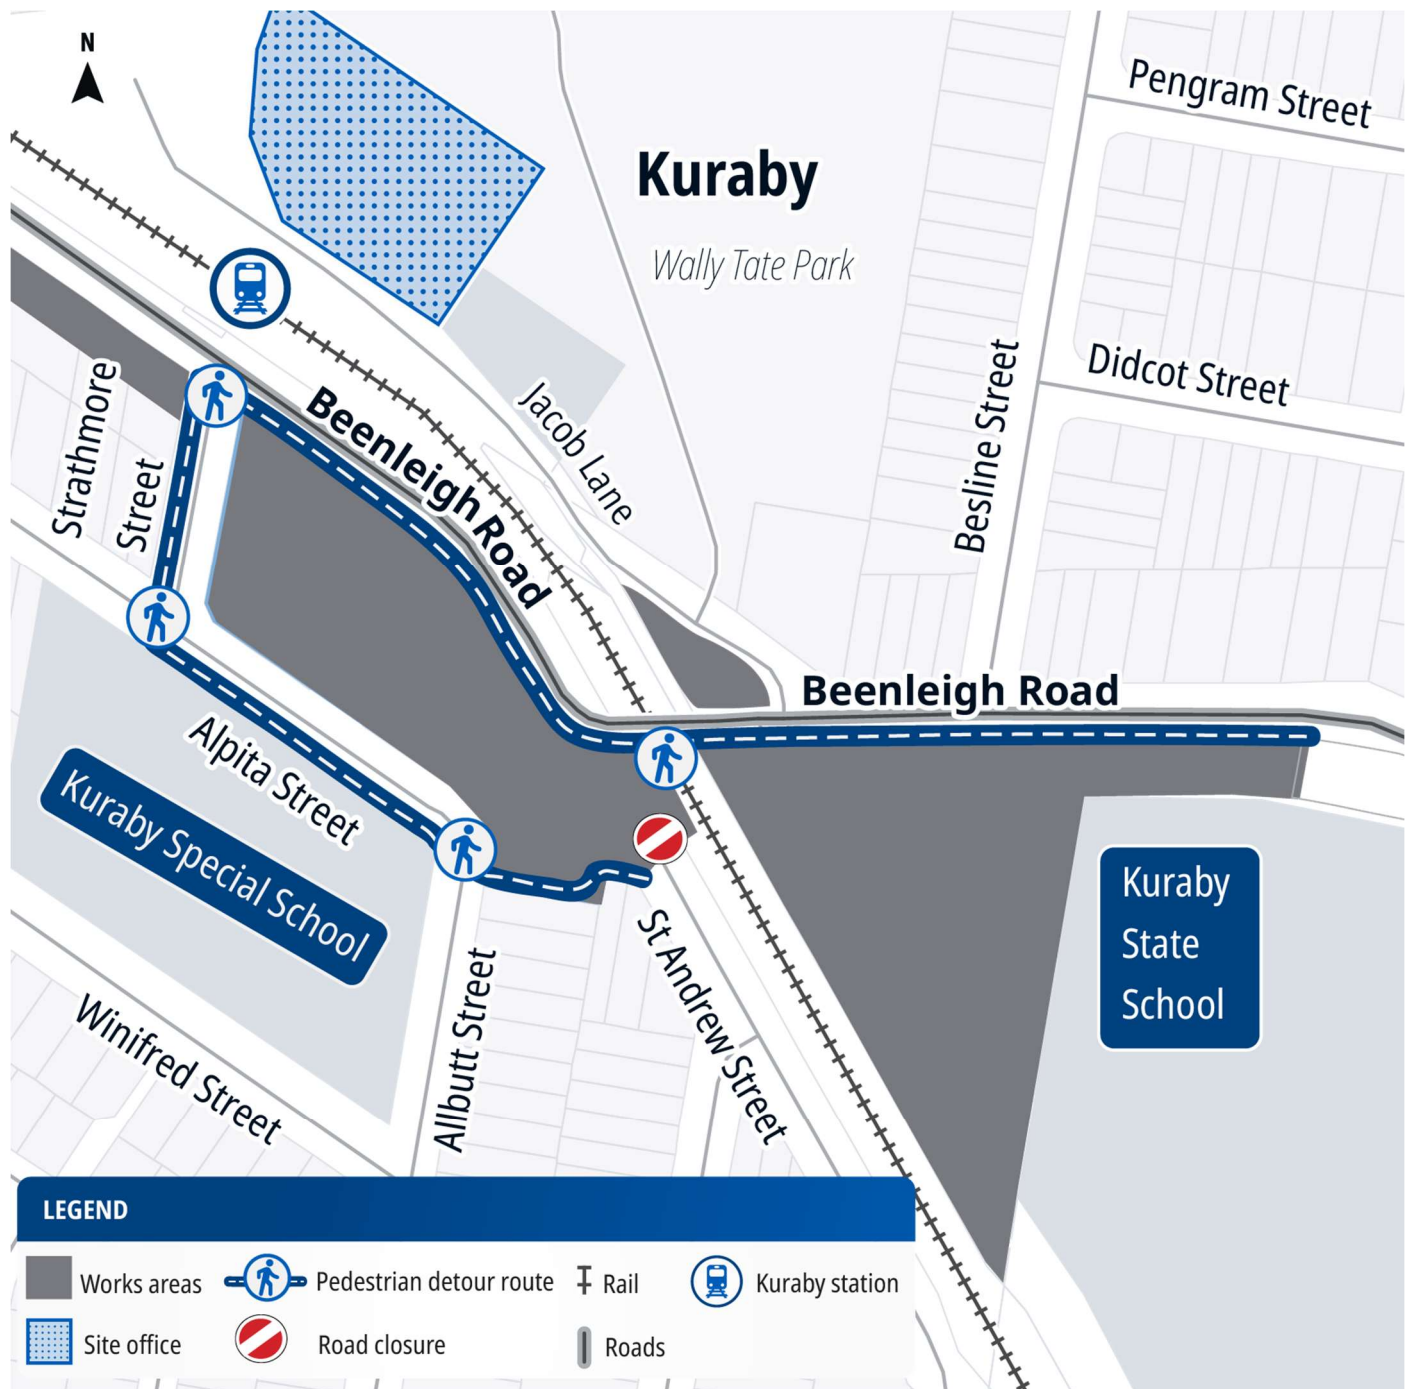

- ✓ Noise, dust and vibration with water carts to suppress dust as required.
- ✓ Heavy/light construction vehicles with flashing lights and reversing beepers.
- ✓ Vehicle and pedestrian changes, traffic control and signage on:
 - Beenleigh Road
 - St Andrew Street
 - Jacob Lane
 - Alpita Street
 - Strathmore Street
 - Donegal Street
 - Winifred Street
 - Corella Place
- ✓ Temporary parking closures within:
 - Kuraby station park 'n' ride
 - Wally Tate Park
 - Jacob Lane
 - St Andrew Street
- ✓ Short term services outages, including sewer and telecommunications.
- ✓ Qualified fauna spotters/catchers during vegetation clearing works, as required.
- ✓ Works around Kuraby Square, Kuraby Mosque and Kuraby station. Access will be maintained at all times.

Changes to pedestrian detour – St Andrew Street

Pedestrian access from St Andrew Street to the pedestrian level crossing will be detoured via existing paths on Alpita Street, Strathmore Street and Beenleigh Road.

As construction activities increase, these changes are necessary to keep the community and construction team safe.

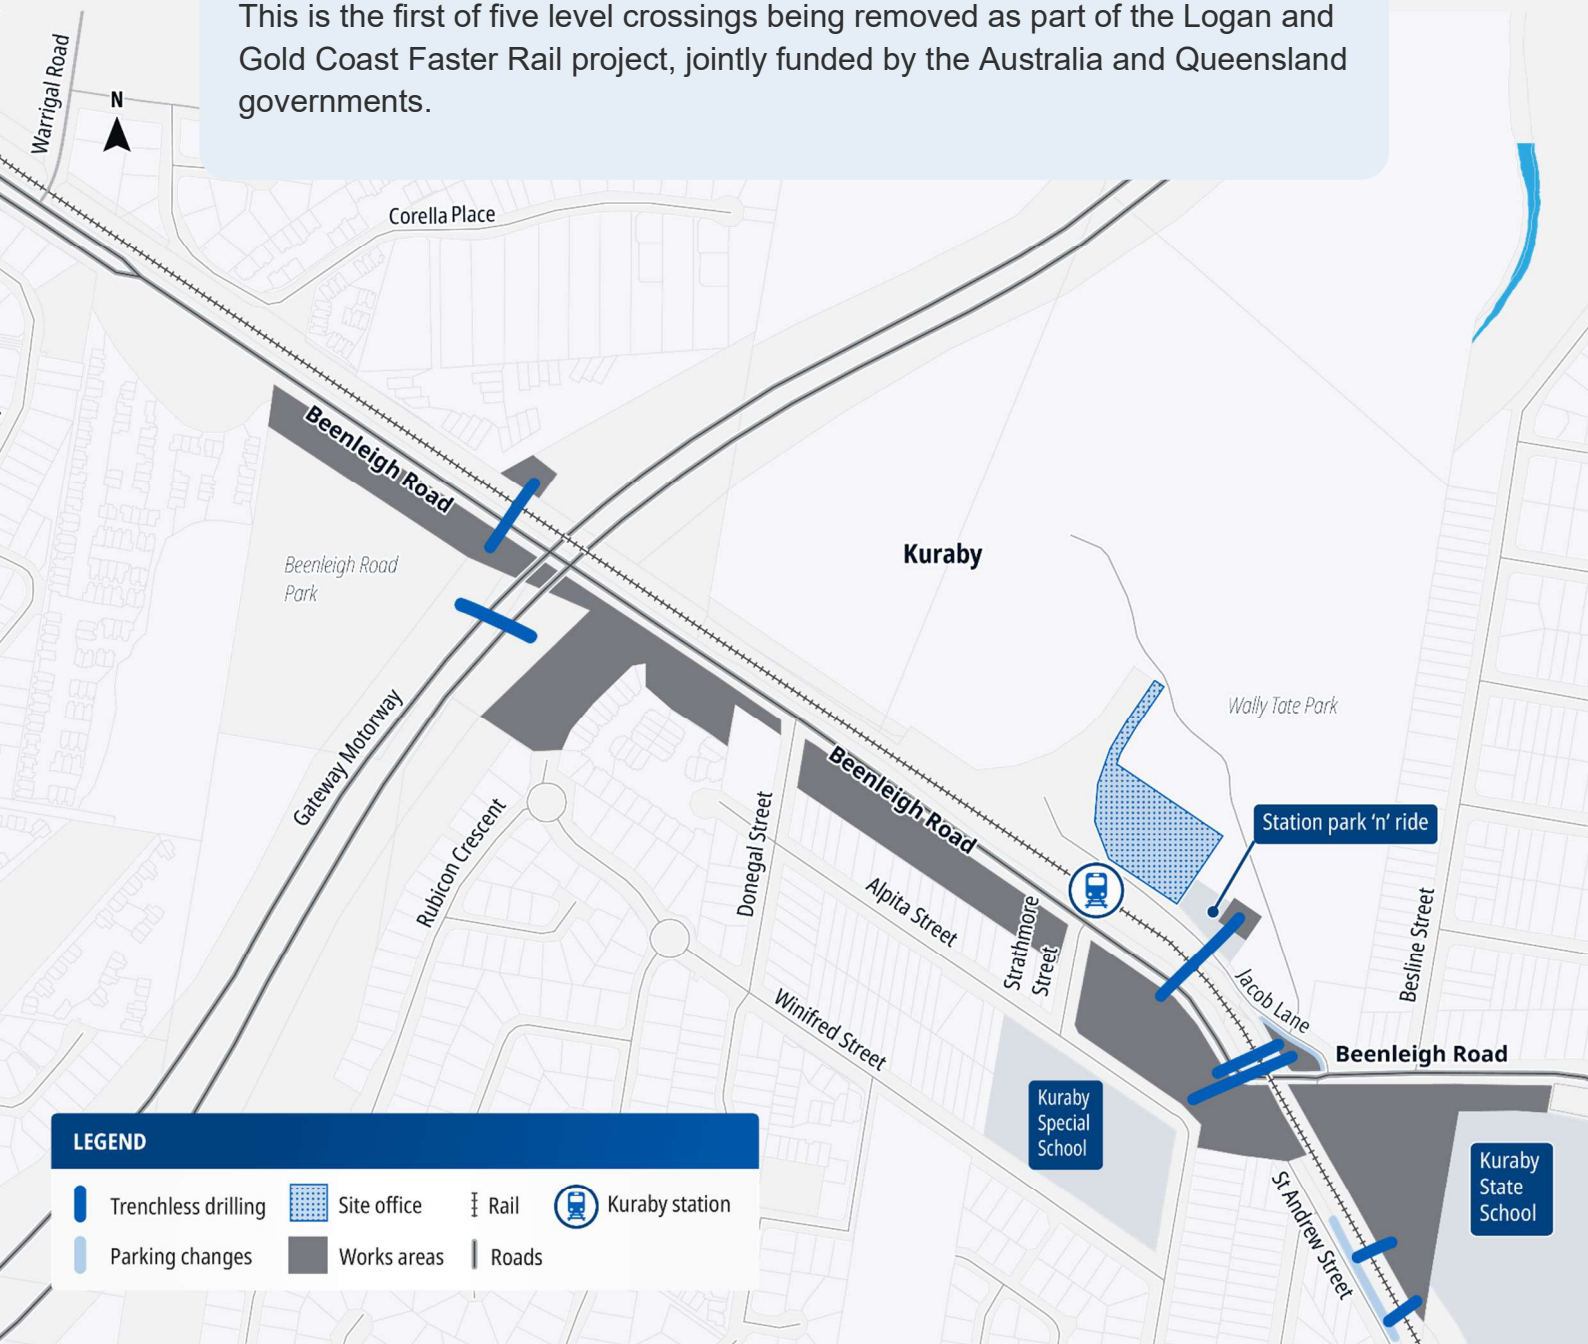

Please see map below.

About the project

The Beenleigh Road level crossing is being replaced with a road over rail bridge to improve safety and reduce congestion.

This is the first of five level crossings being removed as part of the Logan and Gold Coast Faster Rail project, jointly funded by the Australia and Queensland governments.
