DELIVERING FOR QUEENSLAND

Hop on board the

Logan and Gold Coast Faster Rail adventure!

Follow the tracks from Kuraby to Beenleigh to discover what is along the way.

Look closely at each picture to see if you can name each of the 13 local landmarks.

Colour each one and have fun exploring!

The Logan and Gold Coast Faster Rail project is making our train line bigger and better.

We are building two more train tracks between Kuraby and Beenleigh so more trains can run more often, between Brisbane and the Gold Coast.

We are also:

- upgrading stations to make them modern and easier for everyone to use
- removing level crossings to make the roads and trains safer
- creating better paths for walking and bike riding.

This means easier and safer trips for everyone!
