Gateway to Bruce Upgrade (G2BU) project

Fact sheet

Property impacts

2026

Overview

During planning, the Department of Transport and Main Roads (TMR) identified proprieties impacted by the project and began working with impacted owners.

All property required to facilitate the upgrades was acquired by the Queensland Government in mid-2025. No further acquisition is needed for the project.

Most of the impacted properties were adjacent to the Gateway Motorway, Bruce Highway and Gympie Arterial Road.

Where can I get further information on property resumption?

More information about the land resumption process can be found online on TMR's website: **tmr.qld.gov.au/community-and-environment/property-information/land-and-property-resumptions**
