Works notice

October 2026

DELIVERING FOR QUEENSLAND

Logan and Gold Coast Faster Rail

Kuraby Open Level Crossing Removal

Services relocations and bridge construction works are continuing.

Key benefits for the community

- Improved safety
- Increased traffic flow
- Improved flood immunity
- Reduced peak hour congestion

What's happening in October?

Underground services installation

New underground utility services will be installed between St Davids Street and Warrigal Road, including:

- trenchless drilling using micro tunnelling, horizontal directional drilling and auger drilling machines
- open trenching, earthworks and backfilling works using excavators
- heavy vehicles transporting fill material
- installing and connecting new utility services and stormwater drainage
- pumping out from sewer manholes, sometimes out of hours.

Please see map on back page for locations.

Advance notice will be provided about any planned service interruptions required.

Bridge construction

- cutting and welding reinforcing steel
- concrete pours, sometimes out of hours
- delivering and installing precast panels
- delivering and compacting fill material.

Work hours

Standard hours: 6:30am to 6:30pm, Monday to Saturday

Out of hours works: 6:30am to 6:30pm Sunday, and 7pm to 5am Sunday to Thursday

Weather and site conditions permitting.

What to expect

- Noise, dust, odour and vibration, with water carts to supress dust as required.
- Vehicle and pedestrian changes, traffic control and signage:
  - Beenleigh Road
  - St Andrew Street
  - Strathmore Street
  - Donegal Street
  - Winifred Street
  - Jacob Lane
  - Alpita Street
  - Corella Villas.
- Temporary parking closures:
  - Wally Tate Park
  - St Andrew Street
  - Kuraby station
  - Jacob Lane.
- Construction vehicles and equipment with flashing lights and beepers.
- Works around Kuraby Square, Kuraby Mosque, Kuraby station. Access will be maintained at all times.
- Short term services interruptions.

About the project

The Beenleigh Road level crossing is being replaced with a road over rail bridge to improve safety and reduce congestion.
This is the first of five level crossings being removed as part of the Logan and Gold Coast Faster Rail project, jointly funded by the Australia and Queensland governments.

We appreciate your patience during these works and will continue to keep you updated.
