Works notice

June 2026

Logan and Gold Coast Faster Rail

DELIVERING FOR QUEENSLAND

Kuraby Open Level Crossing Removal

During June 2026, work on the new road-over-rail bridge is commencing.

Key benefits for the community

- Improves safety
- Improves network efficiency
- Reduces peak hour congestion

What's happening?

Bridge construction – piling works

From **mid-June 2026**, bridge construction works will commence in the St George Street works area, where a piling rig will be assembled.

Piling works will commence in mid-June 2026 and continue until August 2026, as part of building the bridge foundation (weather and site conditions permitting).

A polymer bored piling method will be used, which typically generates less noise and vibration than other piling methods. Works will include:

- heavy vehicles to deliver construction materials to site, including out of hours deliveries of piling rig components
- drilling polymer bored piles
- mixing, pumping and processing of polymer and concrete used during piling.

Site establishment

Work areas will continue to be established **between St George and Winifred streets, including**:

- Vegetation clearing
- Ongoing services relocation works
- Earthworks
- Property demolition works.

Work hours

Standard hours: 6:30am to 6:30pm, Monday to Saturday

Out of hours works: 6:30am to 6:30pm Sunday, and 7pm to 5am Sunday to Thursday

What to expect

- Noise, dust and vibration, with water carts in place to supress dust as required
- Increased heavy/light construction vehicles
- Vehicle and pedestrian changes, with traffic control and signage, on:
  - Beenleigh Road
  - Alpita Street
  - Strathmore Street
  - St Andrews Street
  - Jacob Lane
- Vehicles and equipment with flashing lights and reversing beepers
- Short term services outages, including water, gas and electricity

Queensland Government

About the project

The Beenleigh Road level crossing is being replaced with a road over rail bridge to improve safety and reduce congestion.

This is the first of five level crossings being removed as part of the Logan and Gold Coast Faster Rail project, jointly funded by the Australian and Queensland governments.
