Queensland Train Manufacturing Program

October 2026

Goldmine Road upgrade

From early November, temporary changes will be in place for vehicles entering and exiting Jonquil Street at Goldmine Road.

What to expect:

- during traffic control work hours, from 6.30am to 4.30pm, traffic controllers will manage vehicles entering and exiting Jonquil Street via Goldmine Road
- outside traffic control work hours, an automated traffic signal will direct motorists exiting Jonquil Street. Vehicles will still be able to enter Jonquil Street via Goldmine Road
- access to Jonquil Street will be maintained throughout the works
- please follow all signage, automated traffic signals and traffic controller directions, and allow for extra travel time.

We thank you for your understanding while these essential works are underway.

DELIVERING FOR QUEENSLAND

Queensland Government

Standard work hours:
6am – 6pm, Monday to Saturday.

Weather and site conditions can impact works, delaying start and finishing times.
