# Queensland Train Manufacturing Program

October 2026

## Goldmine Road upgrade

From early November, there will be temporary changes to the Lewani Parade exit from Lewani Palms Resort (closest to the rail bridge).

### What to expect:

- during traffic control work hours, from 6.30am to 4.30pm, traffic controllers will manage vehicles entering and exiting Lewani Parade via Goldmine Road
- outside traffic control work hours, a digital traffic sign will direct motorists to turn left or right onto Goldmine Road, depending on the direction of the single-lane traffic
- if the digital sign is directing traffic the opposite way to your destination, please wait at the Lewani Parade exit or use the Pacific Drive exit (closest to Lahrs Road)
- the Pacific Drive exit closest to Lahrs Road will not be affected
- access to Lewani Palms Resort will be maintained
- alease allow extra travel time and follow all signage and traffic controller directions.

**We thank you for your understanding while these essential works are underway.**

DELIVERING FOR QUEENSLAND

Queensland Government

**Standard work hours:**
6am – 6pm, Monday to Saturday.

Weather and site conditions can impact works, delaying start and finishing times.

**Scan the QR code for more information**
