Works notice

August 2026

DELIVERING FOR QUEENSLAND

Logan and Gold Coast Faster Rail

Kuraby Open Level Crossing Removal

During August 2026, works are continuing on the new road-over-rail bridge and local roads.

Key benefits for the community

- Improved safety
- Increased traffic flow
- Improved flood immunity
- Reduced peak hour congestion

What's happening?

Bridge construction works

- cutting and welding reinforced steel
- concrete pours, sometimes out of hours
- sheet piling within the St Andrew Street work area.

Underground service relocations

New underground sewer / water pipes will be installed, between Winifred Street and Beenleigh Road Park, involving:

- excavation and concreting to prepare the site
- trenchless drilling, using micro-tunnelling machines.

Winifred Street upgrade works

- removing existing road surface and curbing
- excavation and installing stormwater drainage
- backfilling, and rebuilding road surface.

Site establishment works - Between St George Street and Warrigal Road

- vegetation clearing and earthworks
- installing perimeter fencing.

Please see map over the page.

We appreciate your patience during these works. We will continue to keep you updated as works progress.

Work hours

Standard hours: 6.30am to 6.30pm, Monday to Saturday

Out of hours works: 6.30am to 6.30pm Sunday, and 7pm to 5am Sunday to Thursday

Weather and site conditions permitting

What to expect

- Noise, dust, odour and vibration, with water carts to supress dust, as required
- Increased heavy/light construction vehicles
- Vehicle and pedestrian traffic changes, with traffic control and signage: Beenleigh Road, Alpita Street, Strathmore Street, Winifred Street, Jacob Lane
- Vehicles and equipment with flashing lights and reversing beepers
- Public utility service investigations
- Qualified fauna spotters/ catchers during vegetation clearing works, as required.

About the project

The Beenleigh Road level crossing is being replaced with a road over rail bridge to improve safety and reduce congestion.

This is the first of five level crossings being removed as part of the Logan and Gold Coast Faster Rail project, jointly funded by the Australian and Queensland governments.
